

## **Privacy Policy**

### **Disclaimer:**

This privacy policy is associated with VoIP services provided by Inaani. Inaani will comply with all applicable privacy laws governing Inaani services provided in other jurisdictions. For customers purchasing any other services from Inaani or any of its affiliates.

Inaani will not trade, sell, or disclose to any third party any form of customer identifiable information without the consent of the customer (except as required by subpoena, search warrant or other legal process or in the case where failure to disclose information will lead to imminent harm to the customer or others). This includes information derived from registration, subscription, and use of the Inaani services

### **Collection / Use of Customer Identifiable Information:**

Inaani shall collect and use customer identifiable information for billing, provisioning of services, to solve problems associated with services, inform customers of new products, service affecting changes, confirm transactions, apply payments and all other necessary work that must be performed to deliver and manage the service. Inaani will use customer identifiable information to market products and services that will enhance products and services to the customer, but will not disclose or make available any customer identifiable information to any third parties seeking to market products.

### **Security Measures:**

Inaani has contemplated and deployed required security features to ensure the privacy of customer information on its network. Inaani has implemented strict guidelines to ensure customer privacy is protected. Inaani will continue to upgrade security policies and implement additional security safeguards.

### **Communications:**

Inaani will not read, listen to or disclose to any third parties private e-mail, conversations, or other communications that are transmitted using Inaani services except as required to ensure lawful operation of services or as otherwise required by law.

### **Unlawful Activity:**

Inaani may use customer identifiable information to investigate and help prevent potentially unlawful activity or activities that threaten the integrity of service or network integrity or humanity otherwise violate Inaani Service Agreement.

### **Inaani Spam Policy:**

Inaani has zero tolerance for spam.
